CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a high investment risk may be attached than other companies listed on the Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board and no assurance is given that there will be a liquid market in the securities traded on GEM.

GENERAL MANDATES TO REPURCHASE AND ISSUE SHARES

At the annual general meeting of the Company held on 10 August 2011, ordinary resolutions were passed to grant to the Directors general unconditional mandate (i) to repurchase Shares of the Company on GEM or on any other exchange on which the Shares have been or may be listed and recognised for this purpose by the SFC and the Stock Exchange under the Repurchases Code, which does not exceed 10 per cent. of the aggregate nominal value of the issued share capital of the Company on the date of passing the relevant resolution; and (ii) to allot, issue and otherwise deal with Shares of the Company up to the limit of 20 per cent. of the aggregate nominal value of the issued share capital of the Company on the date of passing such resolution. On 20 August 2012, pursuant to a letter of intent dated 11 April 2012, the Company had allotted 850,000,000 Shares to China Energy Conservation and Environmental Protection (Hong Kong) Investment Company Limited of which 413,061,423 Subscription Shares were issued and allotted under the general mandate granted by Shareholders in the last annual general meeting held on 10 August 2011. 436,938,577 Shares were issued and allotted under a specific mandate granted by Shareholder in the extraordinary general meeting held on 22 June 2012. However, no Shares have been repurchased pursuant to the repurchase mandate.

At the AGM, ordinary resolutions will be proposed:

- (i) to grant the Repurchase Mandate to the Directors to enable them to repurchase Shares of the Company on GEM or on any other exchange on which the Shares have been or may be listed and recognised for this purpose by the SFC and the Stock Exchange under the Repurchases Code, which does not exceed 10 per cent. of the aggregate nominal value of the issued share capital of the Company on the date of passing such resolution to grant the Repurchase Mandate;

- (iii) to increase the number of Shares to be allotted, issued and dealt with under the General Mandate by an additional number representing such number of Shares repurchased under the Repurchase Mandate.

As at the Latest Practicable Date, the authorised share capital of the Company was US\$160,000,000 divided into 16,000,000,000 Shares, of which 2,915,307,117 Shares were in issue. There were 165,492,000 outstanding options under the share option scheme, to subscribe up to 165,492,000 Shares.

On the basis of 2,915,307,117 existing Shares in issue as at the Latest Practicable Date and assuming that no Shares are repurchased or further issued, the Directors would be authorised to repurchase up to 291,530,711 Shares which represent 10 per cent. of the 2,915,307,117 existing Shares in issue as at the Latest Practicable Date.

LETTER FROM THE BOARD

The Repurchase Mandate allows the Company to make repurchase only during the period from the date of the passing of the relevant resolution until the earliest of the conclusion of next annual general meeting of the Company, the date by which the next annual general meeting of the Company is required by the articles of association of the Company, or any applicable law of the Cayman Islands to be held and the date upon which the Repurchase Mandate is revoked or varied by an ordinary resolution of shareholders of the Company in general meeting.

In accordance with the GEM Listing Rules, the Company is required to send to the Shareholders an explanatory statement containing all information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolution to renew the grant to the Directors of the Repurchase Mandate. Such explanatory statement is set out in Appendix I to this circular.

LETTER FROM THE BOARD

RECOMMENDATION

The Directors believe that an exercise of the General Mandate may enable the Company to take advantage of market conditions to raise additional capital for the Company and the Repurchase Mandate may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Directors consider that the approval of the Repurchase Mandate, the General Mandate and the re-election of the Directors at the AGM are in the best interest of the Company and the Shareholders. Accordingly, the Directors recommend that all Shareholders should vote in favour of the relevant resolutions to be proposed at the AGM.

Yours faithfully,
For and on behalf of
CHINA GROUND SOURCE ENERGY LIMITED
Chan Wai Kay, Katherine
Chairman

The following is the explanatory statement required to be sent to the Shareholders under the GEM Listing Rules in connection with the proposed general mandate for repurchases of Shares to be passed by the Shareholders by an ordinary resolution at the Annual General Meeting.

(1) REASONS FOR REPURCHASES

The Directors believe that it is in the best interest of the Company and its Shareholders for the Directors to have a general authority from Shareholders to enable the Company to repurchase Shares in the market. Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share.

(2) FUNDING OF REPURCHASES

The Directors wish to state that repurchases pursuant to the Repurchase Mandate would be financed entirely from the Company's available cash flow or working capital facilities and any repurchases will only be funded out of funds of the Company legally available for the purposes in accordance with its memorandum of association and articles of association and the laws of the Cayman Islands.

The Company may not repurchase its own Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

(3) IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its latest published audited accounts for the year ended 31 March 2012) in the event that the proposed repurchases were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

(4) EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, the authorised share capital of the Company was US\$160,000,000 divided into 16,000,000,000 Shares, of which 2,915,307,117 Shares were in issue. There were 165,492,000 outstanding options under the Company's share option schemes, to subscribe up to 165,492,000 Shares.

On the basis of 2,915,307,117 existing Shares in issue as at the Latest Practicable Date and assuming that no Shares are repurchased or further issued, the Directors would be authorised to repurchase up to 291,530,711 Shares which represent 10 per cent. of the 2,915,307,117 existing Shares in issue as at the Latest Practicable Date.

(5) DISCLOSURE OF INTEREST

Rule 13.11(2) of the GEM Listing Rules prohibit a company from knowingly repurchasing its shares on GEM from a connected person (as defined in the GEM Listing Rules) and a connected person is prohibited from knowingly selling his/her/its shares to the company on GEM.

None of the Directors and, to the best of their knowledge, having made all reasonable enquiries, none of their respective associates, have any present intention, if the Repurchase Mandate is approved by the Shareholders of the Company, to sell any Shares to the Company or its subsidiaries.

As at the Latest Practicable Date, no connected persons (as defined in the GEM Listing Rules) of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Company is authorised to make repurchases of the Shares.

(6) DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make repurchases pursuant to the proposed resolution, if granted, in accordance with the GEM Listing Rules, the applicable laws of the Cayman Islands and the regulations set out in the memorandum and articles of association of the Company.

(7) SHARE REPURCHASE MADE BY THE COMPANY

No repurchases of Shares have been made by the Company during the six months (whether on GEM or otherwise) preceding the Latest Practicable Date.

(8) TAKEOVERS CODE CONSEQUENCES

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, China Energy Conservation and Environmental Protection (Hong Kong) Investment Company Ltd. ("CECEP(HK)"), holds 850,000,000 Shares, representing approximately 29.16% of the issued share capital of the Company. In the event that the Directors exercised in full the power to repurchase Shares of the Company in accordance with the terms of the Repurchase Mandate, CECEP(HK)'s proportionate interests in the voting rights of the Company would be increased to approximately 32.4% in aggregate and CECEP(HK) would be obliged to make a mandatory offer under Rule 26 of the Takeovers Code in this respect.

Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchase pursuant to the Repurchase Mandate. Moreover, the Directors have no present intentions to exercise the Repurchase Mandate to such an extent that the obligation to make a general offer on the part of China Energy Conservation and Environmental Protection (Hong Kong) Investment Company Ltd. will be triggered under the Takeovers Code. Assuming that there is no further issue of the Shares between the Latest Practicable Date and the date of repurchase, the exercise of the Repurchase Mandate in full will not result in the level of shareholdings in the Company being held by the public below the minimum public float as required under the GEM Listing Rules.

(9) SHARE PRICES

The highest and lowest prices at which the Shares were traded on GEM during each of the twelve months from 1 August 2011 to 31 July 2012 and the period from 1 August 2012 up to the Latest Practicable Date were as follows:

Shares	Highest (HK\$)	Lowest (HK\$)
2011		
August	0.290	0.208
September	0.250	0.203
October	0.223	0.190

2012		
January	0.440	0.237
February	0.435	0.375
March	0.460	0.400
April	0.520	0.415
